AIM 2019 CD

Barbara Mason was born August 9, 1947 in Philadelphia. Barbara is an essential soul artist and this compilation is the most complete released to date. She shot to stardom with "Yes I'm Ready" (USA #5, 1965) for the Arctic label then "Sad, Sad Girl" and "Oh How It Hurts" (USA #59, 1968).

Tragically Arctic went out of business and it was to be eight years before she hit again on the Buddah label with "Give Me Your Love" (USA #31, 1973) the Curtis Mayfield penned love theme from the movie "Superfly". She answered Shirley Brown's "Woman To Woman" with "From His Woman To You" (USA #28, 1974), she then hit with "Shackin' Up" (USA #91, 1975).

She remains a firm favourite with soul connoisseurs and for the first time in many years her material from the 60's and 70's is again available.
